BEREAVEMENT MINISTRY TRAINING 2024

The Corporal works and the Spiritual works of mercy are at the core of who we are as Catholics Christian. They not only identify who we are as a people; charitable, caring, compassionate and generous; they also identify the behaviors which help us to live our lives as true disciples of Jesus Christ. An unknown author was quoted as saying **“Grieving is a normal response to loss. However, God does not abandon us in our darkest hours. God, who is Light, shines His light of comfort into our hurting hearts.”**

All of us have or will experience the tragic loss of a friend or loved one in our lives. If you have been a recipient of the care and support shared by a **bereavement minister** or just want to help others who may be suffering, this is your opportunity. This training is designed to benefit both new and experienced bereavement ministers. Experienced ministers can help provide meaningful discussion and collaboration with new ministers.
